This is a list of important publications in economics, organized by field.. Some reasons why a particular publication might be regarded as important: Topic creator " A publication that created a new topic; Breakthrough " A publication that changed scientific knowledge significantly; Influence " A publication which has significantly influenced the world or has had a massive impact on the ...

List of important publications in economics - Wikipedia

Neoclassical economics is an approach to economics focusing on the determination of goods, outputs, and income distributions in markets through supply and demand. This determination is often mediated through a hypothesized maximization of utility by income-constrained individuals and of profits by firms facing production costs and employing available information and factors of production, in ...
